Women Building Better Communities

www.JuniorLeagueBR.org

Our Mission and Vision

Mission

The Junior League of Baton Rouge, Inc. is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Vision

The Junior League of Baton Rouge, Inc. will enhance the quality of life in the Baton Rouge community in the areas of physical health, education and cultural development.

From the President

**A Message from
Amy Groves Lowe
President, Junior League
of Baton Rouge**

In the 2007-2008 year, the Junior League of Baton Rouge continued to fulfill its mission and build a better community. First, we continue to develop the potential of women. Our volunteers have been well trained in effective action and leadership that directly impacts the people and agencies we serve. In addition, the Junior League continues to prepare our members to serve as lifelong volunteers, serving in other nonprofit agencies which improve the lives of Baton Rouge residents. The women in our organization are committed to improving their own potential in order to be more effective as volunteers in our community.

We promoted volunteerism in many successful ways this year. Our emphasis on connecting the “Mission and the Money” started with Hollydays in the fall. Through a widespread marketing campaign,

we did an excellent job of educating our members and the community on the relationship between the dollars raised through our fund-raisers and the community projects we support all year. This theme was the anchor for all of our fund-raisers. Moreover, the Board of Directors voted to launch a broad marketing campaign in the community in 2008 to make sure this message is being broadcast all over Baton Rouge, so that our residents understand the reason for our fund-raisers and learn more about the amazing work we do in the community. Finally, we hosted the first Volunteer Fair at the Mall of Louisiana and showcased our projects, fund-raisers and in-League placements to the community.

The Junior League also continues to improve our Baton Rouge community. River Road Recipes, always setting the trend in community cookbooks, launched a very successful interactive online cookbook in 2007, and those sales will go toward funding future community projects. For the second year in a row, Hollydays raised over \$400,000, allowing us to increase the money we give to the community. Our third fund-raiser, the Endowment Fund, also launched a widespread

marketing campaign. In response donations were substantially greater this year than last year. Finally, we completed thirteen phenomenal community projects through our placements.

Our community has been enriched by the commitment and generosity of our members for over seventy-five years. With your continued support, the Junior League of Baton Rouge will continue to serve our residents and build a better community.

Today's Junior League

Our members are more diverse than ever. We are full-time employees and stay-at-home moms. Accountants, attorneys, artists and authors. Single and married. Women in our mid-twenties beginning our journeys and women with the wisdom experience brings.

A common thread unites us. We all value the opportunity to make Baton Rouge a better place.

Our members are the heart and soul of Junior League. Each year a new group of provisional members joins. These women will grow into our future leaders. Active members devote thousands of volunteer hours to improving life for our friends and neighbors. Sustaining members provide guidance and direction and put the skills they learned in Junior League to work for other organizations across the community.

Fund Development

This year over \$600,000 was raised by Junior League of Greater Baton Rouge through Hollydays: Shop for a Cause and sales of *River Road Recipes*.

The money we raise is used not only to financially support programs and projects of our community partners, but also to train and educate our members for effective community service.

2007-2008 Allocations

Allocation increase over last year

Community Projects

This year our members worked more than 37,000 volunteer hours to enhance the physical health, education and cultural development of our community. According to the Independent Sector (a coalition of organizations working to strengthen America's nonprofits), Junior League of Baton Rouge is making an additional investment in our community totaling more than \$721,500.

37,000
Volunteer hours

58,110
Lives impacted
this year

This year Junior League of Baton Rouge championed 13 community projects. With funding of \$114,098, we were able to impact the lives of 58,110 men, women, children, friends and neighbors this year and nearly 200,000 over the lifetime of these community projects.

New Projects for 2007-2008

Marketing Mania

For this one-year project, our committee members went to work for Hospice of Baton Rouge. This amazing organization needed our support to determine how to better market itself throughout the Baton Rouge area. The Junior League Committee assisted in the production of a mailing list and distributed printed publications for Hospice at Hollydays and at the Volunteer Fair to raise awareness of these services.

Opening Doors for Autism

Today, 1 in 150 individuals are diagnosed with autism, making it more common than pediatric cancer, diabetes, and AIDS combined. It occurs in all racial, ethnic, and social groups and is four times more likely to strike boys than girls. Junior League's focused think tank is working to determine the best ways we can help children and parents in our community impacted by autism. In our first year, we gathered approximately 30 parents and 20 professionals for focus groups, and then produced a comprehensive Resource Guide for Autism, which will hopefully help many more families locate schools, medical and legal resources to aid in the cause.

Community Assistance Fund

In 1980, Junior League of Baton Rouge established the Community Assistance Fund (CAF) to help other nonprofit organizations in our community with specific, short-term monetary needs. **Since its inception, the fund has distributed \$588,570.00 including this year's grants totaling \$37,075.** During the 2007-2008 year, CAF grants were awarded to 14 organizations for projects contributing to our vision of improving physical health, education and cultural development.

Community Assistance Fund Grants 2007-2008

The committee reviewed numerous grant requests and awarded funding to the following agencies/projects:

American Diabetes Association **\$2,500**
To fund free educational workshops to increase awareness about diabetes prevention, detection and management amongst our community's at-risk population.

American Heart Association **\$2,500**
Supported development of educational materials distributed at the 2008 Go Red for Women Luncheon, encouraging women to become champions of heart and stroke health and prevention.

Big Buddy Program **\$2,000**
Offset costs of guest-teaching artists who coordinated and facilitated training sessions and a series of performance workshops leading up to the ALL CITY Teen Poetry Slam Festival.

Boys Hope Girls Hope **\$2,500**
Partially funded scholarships for six scholars and two chaperones to attend Meet the Wilderness camp, an adventure-based program for at-risk youth in Colorado.

Brave Heart **\$2,500**
Provided Christmas gifts for children living in foster care, group homes or with relatives.

Girl Scouts – Audubon Council **\$5,000**
Awarded two grants to purchase automated external defibrillator for Camp Marydale, GSAC's 400-acre camp in St. Francisville, Louisiana.

Juvenile Diabetes Research Foundation **\$2,500**
Funded JDRF's outreach program (Brad Bella Buddy Days) to assist and educate families affected by diabetes in the Greater Baton Rouge area.

Knock Knock Children's Museum **\$1,500**
Covered fees associated with the Knock Knock's first outreach program, Raising a Reader (www.raisingareader.org) in Early Head Start and public pre-K classrooms.

Louisiana All Veteran's Reunion **\$2,500**
Underwriting for the first Louisiana three-day All Veterans' Reunion event,

Louisiana Lupus Foundation **\$2,500**
Funding for a patient education seminar during Lupus Awareness Month (October).

Mary Bird Perkins Cancer Center **\$1,500**
Purchased cardboard fans to be distributed to people awaiting cancer screening services provided by the Mary Bird Perkins Cancer Screening Mobile Unit.

Rocketkidz Foundation **\$2,500**
Providing training, facility access, and equipment to enable a select group of kids to compete in the 2008 Rocketkidz Triathlon.

St. Vincent de Paul **\$4,575**
Funds were used to purchase 450 uniforms for 225 elementary and middle public school students.

Women's Council of Greater Baton Rouge **\$2,500**
Funds contributed for the preparation, promotion and presentation of Women's Week activities.
