

# **2021 DRIVE-THRU TOUCH A TRUCK**

## **FREQUENTLY ASKED QUESTIONS**

### **How long does the Drive-Thru Touch A Truck experience take?**

We anticipate Drive-Thru Touch A Truck will take between 30 minutes and an hour.

### **How will my child “explore” the trucks?**

While driving through the event, children will be able to see the vehicles, trucks, and equipment up close from the car. We encourage you to roll down your windows and have as much fun from the safety of your vehicle as you would like!

### **Will we be allowed to get out of the vehicle?**

For the safety of participants and volunteers, all participants must remain inside their vehicles.

### **Will bathrooms be available?**

As the safety of our participants and volunteers is of the utmost importance, we will not be providing bathrooms for attendees driving through the event.

### **What is included in our ticket purchase?**

Touch A Truck tickets are \$30.00 per car; our signature plastic hard hats for each child in the vehicle; giveaways from our event sponsors and participants; a snack pack and drink for everyone inside the vehicle, and a special coloring sheet from the Touch A Truck coloring book for each child in the vehicle.

### **May I drive through multiple times?**

Due to time constraints and ticketed time slots to allow as many families as possible to see this event, each ticket will only allow for one entry to the event.

### **Will there be Quiet Hours?**

Yes, Quiet Hours are from 9 a.m. to 11 a.m. for children who would like to participate in the event but need less sensory stimulation.

### **Did the event location move?**

No. The event will once again be held at the BREC State Fairgrounds.

### **Will food and drink be included?**

We are working to provide access to food and drink during the Drive-Thru Touch a Truck experience. If we can safely administer food, this will be included in the ticket price. Stay tuned for more details!

### **Will birthday party packages be available this year?**

Unfortunately, we will not have any birthday party packages this year. Due to the changing nature of COVID-19, we will update these FAQs as necessary. Please check back occasionally for new information.

**QUESTIONS:** Please contact the Junior League of Baton Rouge at [touchatruck@juniorleaguebr.org](mailto:touchatruck@juniorleaguebr.org) for more information.
